

# Looking for opportunities to provide Individualized Professional Development to your staff?

## STEAM FOR PRESCHOOLERS INSTITUTE.

Provides early childhood educators with an introduction to intentional activities that support Science, Technology, Engineering, Arts and Math (STEAM). Teachers can explore the power of intentional instruction through play-based 'learning scenarios' and 'teacher guided activities' fostering a culture of collaboration and critical thinking. Teachers and Administrators can begin preparing now with evidenced-based practices responsive to the challenging expectations for 21st century learning
